MOTION: RAMIREZ/SIEBUHR move to review and approve the Resolution 2015-16-8: Resolution in Support of No Student Mandated Reporters Except Those Explicitly Stated in Title IX. APPROVED

Siebuhr presented on the resolution. Siebuhr read a letter to the Chancellor's Office she drafted with Kim Berry, Chair of the HSU Department of Critical Race, Gender & Sexuality Studies Department, and Maxwell Schnurer, HSU Department of Communication Professor. The letter will be sent with the resolution once the resolution is approved (The letter is attached to the minutes).

Blake stated the letter might have misinformation regarding reported sexual assault cases. Blake noted reported cases have increased. Siebuhr responded that she will review the information again.

MOTION: CERVANTES/CANNON move to strike out, "more people reporting creates" and replace the phrase with, "more people being mandated to report creates."
FAILED

MOTION: RAMIREZ/SESANTO move to strikeout the 6th paragraph.

APPROVED

Back to the discussion on the main motion.

Ramirez asked which student employees are mandated reporters. Siebuhr responded that policy is complex so she is not sure. Siebuhr states the resolution was created to create a push not to have students be mandated reporters.

Cervantes noted the resolution calls for all students not to be mandated reporters. Cervantes asked if the resolution is about the AS Council demanding students not be mandated reporters or suggest students not be mandated reporters. Cervantes notes the word demand is a strong statement. Siebuhr uses the word demand because there has been a lot students voicing their opposition of having to be a mandated reporter. Cervantes also noted some grammatical errors on paragraphs two, three, four, five, and six.

MOTION: CERVANTES/DALY move to strikeout "all CSU system to" and replace it with "that the CSU" in the 14th paragraph

APPROVED

MOTION: PLATT/CANNON move to amend the amendment and include an "s" after "demand."

FAILED

(4) AYE

(6) NAY

(2) ABSTENTIONS

Cervantes suggests tabling the resolution to fix grammatical issues. Siebuhr noted she would like the resolution approved because of other time sensitive issues regarding the policy.

MOTION: CERVANTES/RAMIREZ move to strikeout "demand all CSU system to go forth in implementing" and replace the phrase with, "demands the implementation of."

APPROVED

(1) NAY

Sesanto asked if the "s" should be included after the word "demand." Cervantes said Sesanto can make a motion to amend the amendment.

MOTION: CERVANTES/RAMIREZ move to strikeout out "demand all CSU campuses" and replace it with "demands that all CSU campuses" and strikeout "creating" and replace it with "create" in the 3rd resolve.

APPROVED

MOTION: BENEFIEL/RAMIREZ move to amend the amendment and include "go forth and" after "campuses"

APPROVED

MOTION: DALY/JONES move to table the resolution until the ASC meeting on May 2, 2016.

This motion was revoked by Daly.

MOTION: DALY/RAMIREZ move to table the action item after the Official Reports of this meeting. APPROVED

This resolution states the Associated Students would support the installation of the Meliorist Comfort Bench.

MOTION: RAMIREZ/CANNON move to table the resolution to the May 2, 2016 meeting. APPROVED

Macias reported Sanders was unable attend the meeting because of a scheduling conflict.

- C. Resolution 2015-6-10: Formation of an Associated Students Funded Programs Committee (ASFPC) - **First Reading**

Hernandez presented on the resolution. Hernandez believes that the clubs or programs on campus should create stronger relationships. Whaley supports the resolution. Cissna asked if the AS liaison roles would be eliminated. Hernandez said yes and noted that not all the programs have a liaison each year. Platt doesn't support the resolution because he was thinking the committee would be less formal. Platt also asked if Hernandez has talked to the other programs. Hernandez has talked to some of the programs representatives and they are supportive of the resolution. The committee would enable students to talk about issues they are having and support each other. Hernandez would like the committee to have a required membership. Cervantes noted the membership can't be compulsory and the committee can structure the meeting how they see fit. Whaley noted the committee's requirement of having meetings every two weeks meeting does not have to be compulsory. Cervantes questions the rate of meetings too. Hernandez responded the meeting requirement can change. Whaley asked if the Administrative Vice President should chair the position and if they have time in their schedule. Platt stated the Administrative Vice President could chair the meeting and noted a meeting every two week could work. Tyson noted that some of the persons in last resolve should be omitted from the resolution. Tyson also discussed the Student Engagement and Leadership Support meets every month and discusses some of the same issues. Cervantes suggested Hernandez talk to the Clubs and Activities Office.

- D. Resolution 2015-6-11: Formation of an Associated Students Earth Week Planning Committee - **First Reading**

Cissna presented on the resolution. Cissna noted other organizations on campus have provided feedback already. Cissna noted other groups on campus suggested having the committee chair be Co-Chairs voted by the committee. Cissna also stated the AS mission statement would be added and text about social justice included in the charge and would also omit some of the persons in the last resolve.

Daly suggested omitting the Elections Commissioner and including a Student At-Large position. Sesanto suggests having the Elections Commissioner on the committee. Sesanto also asked why there was two representatives from the MultiCultural Center. Cissna noted that concern and said it would not matter if there was one or two representatives from the MultiCultural Center. Siebuhr suggests including a representative from the Women's Resource Center.

Blake reported there are multiple celebrations for students graduating. Blake noted the Outstanding Student Awards was last Thursday, April 18. Blake expressed her gratitude to Tyson for her hard work and dedication as the AS General Manager for 25 years.

General Manager (Joan Tyson)

Tyson stated that this will be her last report as AS General Manger. *"I have been giving a report on this section of the agenda since August 1990. At approximately 20 meetings a year from 26 years, that is a lot of reports. Over 520. I have worked with over 25 different AS Councils and 23 different AS Presidents. (We had a couple two term AS Presidents.) That means a lot of change on an annual basis. I've also worked with 3 different campus presidents and 3 different Student Affairs Vice Presidents. During that time, the AS fee collected has changed from \$42 per student per year to \$117 per student per year. We've allocated out a great deal of student fee money. The AS Council has always been a good steward of student fee dollars, fiscally responsible, and we have never given the campus president reason to not approve our budget.*

There have been some great programs that have been added by the AS during my time period. These include AS Presents, the Eric Rofes Queer Resource Program, and the MultiCultural Center. Although, some on the list have gone away, most of our other AS Programs have grown by quite a bit and have gotten a lot of support. I want to say, I have seen a lot over the years; and there have been some difficult experiences along the way: As I have been cleaning out my office and organizing my files over the last couple of months there are some files I have run across some history that brought back memories of some challenging times. For example: I've seen the AS Council walk out of a meeting with the campus president because they did not agree with what he was telling them; I've seen two AS President's resign during an AS Council meeting out of frustration; and I've seen a couple instances whereby the AS Council impeached another member for whatever reason. I have also seen so much good and you all have had some great successes. It's always good to hear from students that served on the AS Council what a great experience it was for them and how it launched them into a career they love. I encourage you to keep up the good work; some time you might think it does not matter, or you are not making the difference or change you had hoped for, or things go too slow, but you are having an impact. You are sharing in the governance of the HSU campus, you are being good stewards of student fee dollars, and you are advocating for students in their best interest. I am proud to say I am the AS General Manager and I am honored to have been in this role for 25+ years. I support your role on campus. It's been a very fulfilling and rewarding career and I love being on the HSU campus. I will be around for the next couple of weeks but this is my last opportunity to address you in this setting. Thank you."

The Council approved the tabling of Resolution 2015-16-8 to the end of the Official Reports.

MOTION: CERVANTES/DALY move to remove Resolution 2015-16-8 from the table.

MOTION: CERVANTES/DALY move to amend the document to include the suggested changes.
