Report on the Financial Statements

We have audited the accompanying financial statements of the business-type activities of Associated Students of Humboldt State University, a component unit of Humboldt State University (HSU), as of and for the years ended June 30, 2018 and 2017, and the related notes to the financial statements, which collectively comprise the entity's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities of Associated Students of Humboldt State University as of June 30, 2018 and 2017, and the respective changes in financial position and, where applicable, cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages as listed in the table of contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Associated Students of Humboldt State University's basic financial statements. The schedule of net position, the schedule of revenues, expenses and changes in net position, and other information (supplementary information) as listed in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements. The supplementary information is the responsibility of management and was derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 14, 2018, on our consideration of Associated Students of Humboldt State University's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the result of that testing, and not to provide an opinion on the effectiveness of Associated Students of Humboldt State University's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Associated Students of Humboldt State University's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

ASSOCIATED STUDENTS OF HUMBOLDT STATE UNIVERSITY

Management's Discussion and Analysis

Years ended June 30, 2018 and 2017

This section of Associated Students of Humboldt State University (Associated Students) annual financial report presents management's overview and analysis of the financial activities of Associated Students for the years ended June 30, 2018 and 2017. This discussion has been prepared by management and should be read in conjunction with the financial statements and notes.

Introduction to the Basic Financial Statements

The annual report consists of a series of financial statements, prepared in accordance with the Governmental Accounting Standard Board (GASB) Statement No. 35, Basic Financial Statements – and Management's Discussion and Analysis – for Public Colleges and Universities. This standard is applicable to Associated Students because it is a component unit of Humboldt State University (HSU). Consistent with HSU, Associated Students has adopted the business-type activity (BT) reporting model to represent its activities.

The financial statements include the Statements of Net Position; the Statements of Revenues, Expenses, and Changes in Net Position; the Statements of Cash Flows, and the Statements of Fiduciary Net Position. These statements are supported in the annual report by the notes to the financial statements and this section. All sections should be considered together to obtain complete understanding of the financial picture of Associated Students.

Statements of Net Position - The Statements of Net Position includes all assets, liabilities and net position. Assets and liabilities are generally reported on an accrual basis as of the statement date. They also identify major categories of restrictions on the net position of Associated Students.

Statements of Revenues, Expenses, and Changes in Net Position - The Statements of Revenues, Expenses, and Changes in Net Position presents the revenues earned and expenses incurred during the year, on an accrual basis.

Statements of Cash Flows - The Statements of Cash Flow presents the inflows and outflows of cash, summarized by operating, noncapital financing, capital and related financing, and investing activities. The statement is prepared using the direct method of cash flows, and therefore, present gross rather than net amounts for the year's activities.

Management's Discussion and Analysis

Years ended June 30, 2018 and 2017

Investment income was \$12,450, which was an increase of \$8,316 over the prior year. Investment income is comprised of interest from LAIF, monies held with Local Agency Investment Fund.

Net position decreased by \$120,206, reflecting the cumulative net change in assets and liabilities for the year.

Factors Impacting Future Periods

As an auxiliary, any state budget cuts to CSU funding affects enrollment and could have a negative impact on AS revenue and funding for its operational needs. Also, freezes or cuts to HSU enrollment or CSU funding could put strain on the AS budget by increasing demand for current AS services or propagate the need to expand AS programs. Highlights of Humboldt State University's budget for 2018-19 include an enrollment target that is 6% lower than HSU's target for 2017-18. Lower enrollment numbers than projected would likely have a negative impact on the revenue of the Associated Students of HSU. Management continues to monitor operating costs in Associated Students, review its operations, and make adjustments accordingly.

With the transition of Associated Students' Business Services moving from University Center to Humboldt State Administrative Affairs mid-year 2016-17, due to Student Board vote, caused an analysis of where funding activities were supposed to be accounted for. Once transitioned, Management made the executive decision to transfer Clubs and IRA activities to the Humboldt State University business unit. Doing this has made Associated Students accounting become clearer and more transparent.

Notes to Financial Statements

Year Ended June 30, 2018

(1) Summary of Significant Accounting Policies

The financial statements of Associated Students of Humboldt State University (AS) have been prepared to conform with Accounting Principles Generally Accepted in the United States of America (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles.

The summary of significant accounting policies is presented to assist in understanding the AS financial statements. The financial statements and notes are representations of management, who is responsible for their integrity and objectivity. These accounting policies have been consistently applied in the preparation of the financial statements.

(a) *Nature of Operations*

AS is an auxiliary organization of Humboldt State University (HSU) and a component unit of the California State University (CSU), organized and operated in accordance with the Education Code of the State of California and the California Code of Regulations. The function of the Organization is to provide essential activities which are an integral part of the Humboldt State University Campus Programs. Such activities include student government, cultural programs, and various other services.

(b) *Related Organizations*

The Organization is related to other auxiliaries of Humboldt State University, including the Humboldt State University Center, the Humboldt State University Sponsored Programs Foundation, and the Humboldt State University Advancement Foundation. These auxiliaries and the University periodically provide various services for one another.

(c) *Basis of Presentation*

After reassessing its articles of incorporation and bylaws, and considering that AS is a component unit of Humboldt State University, AS determined that it should apply generally accepted accounting principles applicable to governmental entities.

The accompanying financial statements have been prepared using the economic resources measurement focus and the accrual basis of accounting in accordance with U.S. generally accepted accounting principles, as prescribed by the GASB. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows.

The financial statements required by GASB Statement No. 34, *Basic Financial Statements – and Management’s Discussion and Analysis – for State and Local Governments*, as amended by GASB Statement No. 35, *Basic Financial Statements – and Management’s Discussion and Analysis – for Public Colleges and Universities* include a statement of net position, a statement of revenues, expenses, and changes in net position, and a statement of cash flows. AS has elected to use the proprietary fund reporting model for special-purpose governments engaged only in business-type activities. In accordance with the business-type activities reporting model, AS prepares its statement of cash flows using the direct method.

ASSOCIATED STUDENTS OF HUMBOLDT STATE UNIVERSITY

Notes to Financial Statements

Year Ended June 30, 2018

(d) Revenue Recognition

Student fees, investment income and revenues are recorded when earned.

(e) Allowance for Doubtful Accounts

The organization has established an allowance for bad debt based upon management's estimate as to the collectability of accounts receivable.

(f) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

(g) Capital Assets

Capital assets are recorded at cost less depreciation calculated by the straight-line method over the assets' estimated useful lives. AS capitalizes purchases over \$5,000. However, sensitive property, defined as any highly desirable and portable item, will be capitalized if the cost is \$1,000 or greater.

In addition, AS uses office facilities and equipment that are the property of the California State University. No lease payments are required for the use of these facilities.

(h) Cash and Cash Equivalents

For the purpose of the statement of cash flows, all cash on hand, commercial accounts, and cash invested in LAIF, are considered cash and cash equivalents.

(i) Classification of Revenues and Expenses

AS considers operating revenues and expenses in the statement of revenues, expenses, and changes in net position to be those revenues and expenses that result from exchange transactions or from other activities that are connected directly to the primary functions of AS. Exchange transactions include charges for services rendered and the acquisition of goods and services.

Certain other transactions are reported as nonoperating revenues and expenses in accordance with GASB Statement No. 35. These nonoperating activities include net investment income and changes in campus program fund liabilities.

ASSOCIATED STUDENTS OF HUMBOLDT STATE UNIVERSITY

Notes to Financial Statements

Year Ended June 30, 2018

(j) Net Position

Net position represents the difference between assets and deferred outflows of resources less liabilities and deferred inflows of resources. AS reports two categories of net position, as follows:

Net Investment in Capital Assets - consists of net capital assets reduced by outstanding balances of any related debt obligations and deferred inflows of resources attributable to the acquisition, construction, or improvement of those assets and increase by balances of deferred outflows of resources related to those assets.

Unrestricted Net Position - consists of all other net position that does not meet the definition of the above component and is available for general use by AS.

When an expense is incurred for purposes for which both restricted and unrestricted net position are available, management applies unrestricted net position first, unless a determination is made to use restricted net position.

(2) Cash Investments

AS maintains cash in the State of California Local Agency Investment Fund (LAIF), an investment pool. The investment is not insured. However, these funds are invested in accordance with California Government Code Sections 16430 and 16480, the stated investment authority for the Pooled Money Investment Account. At June 30, 2018, the uninsured and uncollateralized cash balance was \$418,315.

Custodial credit risk is the risk that in the event of the failure of a counterparty, AS would not be able to recover the value of its investments that are in the possession of an outside party. Financial instruments that potentially subject AS to custodial risk are investments in excess of amounts insured by the FDIC. No policy exists related to custodial risk specifically. The AS investment policy does not prohibit deposits in single institutions that expose AS to custodial credit risk. Management believes the organization is not exposed to any significant credit risk related to cash.

The AS cash investment portfolio consists entirely of investments in LAIF, a voluntary program created by statute as an alternative for California's local governments and special districts that allow affiliates to participate in a major investment portfolio. It is under the administration of the California State Treasurer's Office. There are no significant interest rate risks or credit risks to be disclosed in accordance with GASB Statement No. 40, *Deposit and Investment Risk Disclosures - an amendment of GASB Statement No. 3*.

Year Ended June 30, 2018

(3) Exempt Status

AS is exempt from federal income tax under Internal Revenue Code 501(c)(3), and California franchise tax under California Revenue and Taxation Code Section 23701. Accordingly, no provision for income taxes has been reflected in these financial statements.

Unrelated business income tax: The Tax Reform Act of 1969 imposes a corporate income tax on the unrelated business taxable income (UBIT) of an otherwise tax-exempt organization. A provision, if necessary, for applicable federal and state income taxes is made in accordance with these statutes. There was no income tax expense related to UBIT for the years ended June 30, 2018 and 2017.

BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN

Associated Students of Humboldt State University

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities of Associated Students of Humboldt State University, as of and for the year ended June 30, 2018, and the related notes to the financial statements, which collectively comprise Associated Students of Humboldt State University's basic financial statements, and have issued our report thereon dated September 14, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Associated Students of Humboldt State University's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Associated Students of Humboldt State University's internal control. Accordingly, we do not express an opinion on the effectiveness of Associated Students of Humboldt State University's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Associated Students of Humboldt State University's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
