Time: 10 minutes
The Associated Students Diversity Equity and Inclusion Committee's (ASDEIC) charge is to engage students at Humboldt State University using principles of shared governance in ongoing critical examination and reflection needed to make essential changes in the academic policies, practices, and behaviors that result in inequity, exclusion, and social injustices at HSU.

- Public Forums for Marginalized Students to Voice Concerns
  - Report on findings will be created by leading task force and submitted to A.S. President, ODEI, and made public.
- Examine Professional Development Content Provided to Students
  - Recommended changes will be sent to the A.S. Executive Committee
- Partnership with ODEI
  - Keep students up to date on campus changes related to DEI, and how they can participate
  - Engage in thoughtful examinations of academic policies, practices, and behaviors to ensure they're meeting the standards of diversity, equity, and inclusion.
