VI. Business
   a. 2020-21 A.S. Budget Language – Action Item
   It was moved (Finley) and seconded to recommend the amendments to the 2020-21 A.S. Budget Language to the A.S. Board of Directors.

   It was moved (Finley) and seconded to amend the budget language item 19. C. to read, “Club Travel/Conference Grants are for clubs to attend conferences and education-centered events and in a virtual space. Funds may be used for conference/activity fees; lodging; and transportation costs. Travel funds will be

available as per campus travel guidelines. Travel funds may be used for virtual conferences and professional development opportunities.”

There was discussion around the use of travel funds, and there was consensus that virtual conferences qualify for travel funds as these funds were often used for conferences pre-COVID.

There was discussion on the “Cultural Programming Grant” title. In the past, event grants had funding split out and specified for “general events” and “culturing programming.” This year’s budget does not have funding separated for different classifications of event grants. The A.S. attorney noted that having applicants specify if the event was “general” or cultural programming” might generate some inherent biases in the review and allocation.

There was question to the “cannot be funded: awards, wages and specialty items” and with consensus the Committee altered that section to note that “event planner stipends” can be funded and that “hourly wages” and specialty items for club members“ cannot be funded.

There was discussion to the pros and cons to the requirement for the review and approval by the Club’s Advisor. The Committee came to consensus that “approval” of the club advisor is mainly the duty of the club, but the A.S. will always include the advisor in all communications.

“Club members must meet with the Clubs & Activities Coordinator (regarding programming)...” was discussed. It was explained that in the past, to especially support clubs with larger event coordination, would meet with the Clubs & Activities Coordinator. The Committee noted that the Grant Application does have clubs requesting greater than $700 to meet with the A.S. Administrative Vice President, and that the Administrative Vice President can help connect clubs to other helpful resources for events if needed. It was also noted that the Finance Committee is empowered by the Budget Language to impose other stipulations for granting, and if it were apparent that more campus consultation is needed for a certain event, that could be stipulated.

The subsidiary motion to amend was APPROVED unanimously.

The main motion to recommend the amended budget language was APPROVED unanimously.

b. Club Grants – **Action Item**
There were no club grant applications submitted at this time.

c. Enrollment – Discussion Item

Persons who wish to request disability-related accommodations, including sign-language interpreters, should contact Casey Park, A.S. Board Coordinator, at casey@humboldt.edu or call (707) 826-4221. Some accommodations may take up to several weeks to arrange.
